

**HELP SUPPORT
SANTA COPS OF LARIMER
COUNTY**

Santa Cops of Larimer County is a non-profit, all volunteer organization consisting of representatives from the Colorado State Patrol, Larimer County Sheriff's Department, Fort Collins Police Services, Loveland Police Department, Colorado State University Police and the Timnath Police Department. Together, we try to provide underprivileged children of Larimer County with gifts to bring a Merry Christmas to their homes. These are children who come from all walks of life and differing circumstances, but all are faced with financial limitations in their homes.

On Delivery Day, uniformed officers from the participating agencies deliver the toys to the children at their homes. This is a very rewarding day for the officers to see the joy on the children's faces as they give them their gifts. It also provides the children positive interactions with law enforcement officers.

We invite you to join this annual holiday effort. In 2009, despite the substantial challenges facing our community, we were able to serve over 3,800 children in more than 1,500 Larimer County families. We receive amazing financial support from many annual donors, private citizens, families, small businesses, and large companies.

This year, Santa Cops is holding its 6th Annual Benefit Golf Tournament to raise money to support our program. Funds raised will be used to purchase gifts, supplies, and provide financial support to the on-going costs of Santa Cops. Thank you for your enthusiastic support to strengthen the joy of Christmas for these families and for giving our local law enforcement officers the opportunity to serve their community in a very unique, positive way.
